

LEGISLATIVE

A new Policy, Budget & Campaign Monitoring Service in development...

Legislative IQ makes it easier than ever to monitor Florida's policy, budget and campaigns. Produced by LobbyTools & The Florida Current - the market leader in Florida legislative news & information - the service includes:

Policy Notes

Monitor over 100 of Florida's most active policy issues by sector with

- › Background information which defines the issue and includes political history from prior legislative sessions and current legislation
- › Timely updates as developments occur and bills are filed
- › Related news stories from the Florida Current and Florida and National news sources
- › Session summaries detailing the outcomes

Budget Notes

Monitor Florida's \$70+ billion budget process with

- › Background and legislative history of each budget category
- › A complete report of all state agency's legislative budget requests and the Governor's budget recommendations
- › Key players and their positions
- › House and Senate House Bills & Amendments
- › Conference allocations and negotiations
- › Session summary of the final approved budget
- › The Governor's Veto.

Campaign Notes

Monitor Florida's 144 Cabinet and House and Senate legislative races with:

- › Background of the district, candidates and campaign contributions.
- › Fundraisers and endorsements
- › Primary and general election night results

See the Big Picture

Our legislative and policy experts cut through the clutter and report what really matters.

Know the Players

Answer the questions... Who's on your side? Who's not? And why?
